Naughtiest Girl in the School: and Naughtiest Girl Again by Navrang Bookseller

Article published on January 30th 2012 | Article Writing

Elizabeth Allen is a spoiled girl who is the only child of her parents. She becomes very upset and outraged when she learns that she is being sent to a boarding school. When Elizabeth joins Whyteleafe School she is determined to misbehave so that she will be expelled and able to go back home as soon as possible.

At Whyteleafe Elizabeth discovers a new world. Because of her mischief she is first disliked by her fellow students, but slowly, Elizabeth learns how to share and get along with people, she learns to make friends and understands the importance of friends. She likes Rita and William - the Head Girl and Head Boy of the School. Rita tells her that a girl in her class - Joan Townsend - is not happy, as her parents neglect her, and Elizabeth promises to try to make friends with Joan. Joan convinces her that misbehaving in order to be expelled is a bad idea, and advises her to be good, and to ask the heads of the school to tell her parents that she is unhappy and to ask them to take her away, but not Enid Blyton's naughtiest girl coeducational boarding-school stories were first published in the 1940s with the exception of the shorter Here's The Naughtiest Girl! which appeared at the beginning of the 1950s. The leading character, Elizabeth Allen, and her schoolmates were considerably younger than the average run of heroines in the schoolgirl sagas of that period. However, the naughtiest girl books, like the stories of Blyton's single-sex schools (Malory Towers and St Clare's), have proved more resilient than many of their rival creations in the genre and remained in print over several decades.
