As we move into February we move one step closer to Spring which means that if you want to enjoy open top motoring this summer, then now is the ideal time to make your new purchase. If youâ€™re looking to buy a new convertible for the summer then itâ€™s best to do it now, before prices increase in the summer. Supply and demand will push those prices up, so beware.

This list will run through 5 of the top convertibles this summer.

1) BMZ Z4 â€“ this is one of the most stylish convertibles on the road today. It features a modern and sleek silhouette, excellent in-car technology and a range of stunning and powerful engines. If youâ€™re looking to enjoy the thrill of open top motoring then this could be the model for you.

2) Fiat 500 Convertible â€“ this model is ideal if youâ€™re looking for a fun and quirky drive. Itâ€™s not yo conventional sports car, but it has great looks and will ensure that you enjoy cruising along the coast this summer.

3) Having recently seen a new MGTF LE500 in London I decided to add this model to the list as it possesses classic sports car looks that many will appreciate. It has two-seats and will deliver the ultimate sports car experience.

4) Mercedes SLK â€“ If youâ€™re looking for a classy drive this summer then this could be your choice. Th new Mercedes Benz SLK is sleek, stylish and very sophisticated. It comes with a selection of exhilarating engines and will not disappoint. Just looking at its exterior lines will make you want to take this car out for a summer spin.

5) Finally, the Audi A4 convertible, itâ€™s not a conventional sports car, but it is the most practical on this list. This model will enable you to enjoy the thrill of open top motoring in a sleek and sporty car thatâ€™s practical enough to cater for your family!
