Article published on June 28th 2012 | Book Marketing

Motorhome holidays are the most flexible way to experience New Zealand. You can stay where you want, for as long as you want. On top of that we offer â€˜the flexible way to Holiday' by starting and ending your campervan adventure wherever you like, Auckland, Christchurch or â€¦? Drive â€˜one-way' to have more time to explore interesting places without having to rush or drive the same road twice just because you have to drop off the campervan!

â€˜Start at the Top'

When you choose to â€˜Start at the Top' we offer a unique service for free: We personally meet you at Auckland Airport and bring you to our accommodation - Baystay B&B. After a scenic tour north you make yourself comfortable in one of the rooms with en-suit bathroom; then freshen-up and enjoy a meal and a relaxed 1st evening. The following morning, after breakfast, the campervan will be explained and your adventure can begin! Drive west on the Twin Coast Discovery Highway, visit â€˜Tana Mahuta' the Giant Kauri Tree in Waipua Forest and start working your way south to end your holiday anywhere you want.

Swim with Dolphins

We are located in Paihia - the Bay of Islands - famous for dolphin watching, boating and fishing. You have to pick-up and drop-off your campervan somewhere, so why not at this â€˜Must See Location'? Explore this beautiful area, make a choice out of the many boat trips, or book a â€˜Swim with Dolphins Experience'.

Drop-off anywhere you want

No matter where you start, the campervan can be dropped-off anywhere you want (pre-arranged) to suit your individual needs. Driving only â€˜one-way' gives you more time to explore interesting places without having to rush or ride the same road for the simple fact you have to drop off the campervan where you started! When you decide to â€˜Finish at the Top' we offer the same free package; a stay at Baystay B&B and transfer to Auckland Airport as mentioned above.

Make your wishes known, we provide tailor made advice!
