Many International Holiday Travel Destinations Lie in Europe by Eva Amurri

Article published on January 20th 2012 | Destinations

When a traveler goes searching for International holiday packages, few destinations are found listed by Magazines and journals, out of which many lie in Europe.

The Europe tour package destinations that come to oneâ€™s mind include

â€¢Spain remains as number one holiday destination for quite some time, with its Ballearic islands of Mallorca and Ibiza, besides the canary islands such as Tenerife and La Palma, giving the traveler also the pleasure of walking holidays in Northern Spain and cycling in Catalonia.

â€¢France comes next, where one has the beaches of Atlantic coast, Ile de Re and Corsica, wonderful time at Paris to visit Monetâ€™s Garden in Giverny, taking a cycling holiday or a walking tour, enjoy seeing the French monuments and having a feel of French history.

â€¢Great Britain has many holiday destinations, apart from England, it has Wales, Scotland, Ireland and smaller islands such as Scilly Isles, Lundy Island and Isle of Wight. UK has more number of destinations too for a tourist to visit, which include Devon and Cornwall, the Lake District, Cotswolds and Dorset.

â€¢Greece is a destination of simplicity, with its white washed villas and friendly taverns, when the modern world is used to 5 star hotel culture and the Greek food is considered one of the masterpieces of simplicity and taste. Some of the islands here , such as Corfuâ€™s villas and Paxos, which offer the pleasure of relaxation in their beaches, although they do not have an airport to fly direct to the spot.

Travel agencies offerinternational holiday packages and there are popular Europe holiday packages, which include the above destinations.

In International holiday packages, generally they include the following:

â€¢Air fare for the entire passage

â€¢Airport taxes

â€¢Visa expenses in the intermediary countries

â€¢Travel insurance for the entire tour period

â€¢Hotel accommodation

These European holiday packages will cover bed and breakfast at every station, however lunch and dinner expenses may have to be borne by the traveler. In many packages, they exclude the local tour expenses and cesses. The same way, theinternational holiday packages may not include entrance fees required for exhibitions, boat rides, cable car charges or fees to be remitted at the skating rinks or skiing fields.

A traveler can make oneâ€™s own International holiday package, by taking flight tickets directly to each of the European cities and book their hotel accommodations apart from purchasing local tour packages . But, it is always good to go in for European holiday packages offered by travel advisers,

since they would take care of all the nuances of buying the best travel arrangements.
