Stories and comic books â€“ age - old entertainment means by

Wilson Singh

Article published on August 13th 2012 | Book Marketing

Stories and comic books are not restricted to children and kids only. They can be very well read and enjoyed by their parents, aunts, uncles, cousins, grandfather, grandmother and other adults. The comic books are very interesting and have really great characters that are amusing and interesting like the movies. They have stories about heroes and how they conquered places or of the sacrifices that they have made. Children love the books that are interesting and have super human characters in them. This is why Phantom a very well loved character was so popular for decades among all the readers. Apart from this, there was superman, batman, spider man also were very popular for their heroic deeds.

The stories in the comic books usually do not complete in one issue, there may be several issues. This is the reason why they are popular as the suspense is carried on and children are very curious to know about the next issue and the happenings. You will find a vast range of comic in India that has plenty of mythological stories that are very interesting and also have a moral story attached to it. They are good for children as they are taught provoking and imbibe ethical and right living. Apart from this there are also plenty of stories that can be seen in comic with nice pictures and dialogues. The colors of the characters, the real â€“ like situation, and even the expression on the face of the characters make it very interesting to read.

Stories and comic books price are very affordable and there are plenty of them that you can choose based on what you love to read to the children and you as well. There can be price and princess stories, cartoons, mythological, super human beings, aliens, animals and many more. Apart from many other kinds of entertainment, like the TV, sports, films, video games, indoor games, kids will also love reading stories and comic books. Bed time is the best time to read comics or other stories books. You can read it out to them or they can read for themselves. They are a great source of entertainment and provide a good stimulation to the brain. Children can visualize the story after they take a look at the small pictures provided in the books and imagine the characters in them.

Children never tire of reading story books; they can read them again and again. They are cheap and fascinating and make it a very good alternative for TV or video games which can be harmful for the eyes. You can buy them at any of the stores near your home or from the online books store in India.
