Symbol of Great Property in Tibetan Jewelery by Nicolehao

Article published on June 27th 2012 | Shopping

Tibet is reminiscent of a mystery kingdom and there are exotic culture and legend that can change our lives, and the general view of their followers is bald, skinny men that wear orange robes that stand around chanting all day long. Which may be a close to the truth picture, but there is more to it that draws attention of people . First of all, their lifestyle allows them to be closer to the higher entity they believe in, instead of being worried about how much money they earn monthly in order to purchase a house, a car or food that you can feed your children . They live a very tranquil life, separate from modern society.If you want to know what they are chanting about, all their songs are actually prayers that are used to get closer to what they believe in. These prayers are called mantras, and they are also helpful in allowing their singers to achieve tranquility.

Perhaps it is why I have chosen Tibetan jewelry to be the first step I take in the long journey for achieving my peace of mind. If you want to do just as I did, first of all you have to be committed to your goals and believe in the symbols of this culture.one of the most powerful representations of Tibetan jewelry is the bracelet. Believed to be the first frequency that was used to create the universe, this sound can be found in a lot of Tibetan mantras. It is a sound that can calm anyone down in case they are stressed. Form of expression of traditional Tibetan jewelry depends on the Tibetans idea, social formation, the traditional modes of production and life, especially the traditional nomadic life. This needs to convert property accumulated by the whole family and even a few generations to jewellery. Since looking for land of abundance all around is both safe and convenient. So what Tibetans wear are not only garment ornaments but also a huge property, which shows both beauty and wealth.

The concept of jewelry acts as "ornament" of human body and clothing in Han culture. While in Tibetan culture, especially for women, it is more apropos with four words "hun shen pi gua", which means all kinds of jewelries with their pendants are throughout the body. There is hair clasp, hairpin, bone ring, jade rock, hair bead and prior chains and all sorts of earrings in the headwear; there is necklace, passementerie, bracket and other ornaments worn in the chest. There is motifs belt, metal Belt, hanging fire pricker, waist bag, Chest hook, Tibetan knife, seashell, tinkler and a large number of exquisite ornaments around wrist. The ring and bracelet, multicolored lace and gold, silver and jewelry of all kinds are all part of Tibetan jewelries. Women of Ali area embellish their necks with coral and agate. These jewelries and pendants are all made by hands of Tibetan folk craftsmen who have unique features in choosing materials and making jewelries. For example, in gold and silver processing and carving patterns for Tibetan knives, metal process of ZangDong DeGe has a high reputation in Tibetan. Jewelry and pendant are for the purpose to decorate. Tibetan nationality thinks a lot of their art and culture and they are very good at changing animals and plants in the life and mascot in the ideal to patterns in the ornaments. With the development of the society, those patterns have become logos of all orders of society and occupational range. What is the more outstanding is that religious culture has strong effect on pattern and Tibetan ethnic gives religions ideas to jewelry. Favor and widespread use to kallaite result from their beauty and blessing of God.

Tibetan Bracelet has commonly been an important allotment of Tibetan circadian dress. It is believed, jewels put humans in blow with deities, and assure them from the abounding hazards of activity in their barren and betraying land. Himalayan is generally colossal and heavy, with busy apparent architecture and an abandon of color. The amount of Tibetan adornment was historically bent by the acuteness of blush and f the components, rather than the amount in gems or adored metals. Argent accumulating offers an assorted accumulation of jewelry, alignment from necklaces,

bracelets and rings to earrings, there are assorted admirable pieces of adornment that's absolute for everyone. So, you can yield the activity as fast as accessible to adore the admirable activity that Tibetan argent gives you.
