SJR Trillium

Bangalore city is one of the leading IT city of India where one can find world renowned IT companies, MNCs, and other leading business houses. Professionals across the world are migrating towards the city for seeking the job in these companies. These professionals are paid very high salaries by these companies; thus, they have sufficient savings for getting luxury homes. Further, these professionals have very tight schedule and hence, they look for the home at the vicinity close to their work places. In addition, most of these professionals are influenced by the contemporary lifestyle and search for homes which is filled with many ultra modern amenities. In view of this fact SJR Group has initiated the project â€œSJR Trilliumâ€• to fulfill all the aspirations of luxury home seekers. SJR Trillium is the project where one can get all the comforts at their door step and stylish lifestyle in the mid of eco-friendly living environment.

SJR Trillium Bangalore is initiated by keeping in view cash rich professionals of Bangalore; thus, the whole project is planned by the world class architects and interior designers in order to offer you and your family high quality and durable finishing. In addition, the project includes team of highly experienced engineers to provide you most up-dated technology to match the living of its residents to cosmopolitan culture. Even the cost accountants involved in SJR Trillium have kept effective cost control system to offer the dream homes of elite class segment Bangalore at an affordable range.

SJR Trillium is fresh luxury class residential project of SJR Group located at Hosur Road considered as a prime location that provides better connectivity to Electronic City, Whitefield, Sarjapur Road, and ITPL. This ideal location is selected keeping view the invaluable time of busy professionals and thus, to provide them maximum time that can be devoted to family and friends. SJR Trillium offers you the choice of 2/3 BHK apartments with covering an area ranging from 1258 sq ft to 1650 sq ft. The value of the dream homes of SJR Trillium is kept in the affordable range, which is starting from 32.58 lakhs onwards. The complete project is intact with many unmatched amenities, such as, club houses with party hall, gymnasium, snooker, table tennis, shuttle court, childrenâ€™s play area, badminton court, swimming pool, and many more to offer you and your family graceful and healthy living.

SJR Trillium is perfect hotspot for investment to the potential investors who are looking for huge return on their investments. As we know rate of properties in Bangalore are soaring every day and SJR Trilliumâ€™s location is adding more value to the investment opportunity.

SJR Group was promoted in the year 1973 and ever since the group is progressing with highly passionate and devoted job of infrastructural development by building airports, highways, and flyovers. In the era of globalization and in stage of global mergers and acquisition, the group has commenced a premium blend of placate and professionalism into housing and commercial projects. The SJR group is leading the way in putting into practice the corporate governance and transforming the face of the real estate industry of Bangalore. In addition, the group is also presenting without comparison world class design with high quality and durability by considering the choice of the targeted audience.
