For a fun-filled, enjoyable and adventurous holiday visit Manali; break free from the usual stressful chores of life and head to Manali for the most pleasurable and rejuvenating experience of your life. And if one asks why Manali is such a popular holiday destination; the answer is simply because the place caters to people with varied sensibilities. Manali not only lures the localities but tourists from all over the world pour into the valley and domestic crowd consists of families, honeymooners and trekkers; basically Manali has something in store for all travelers.

Manali makes excellent holiday spot for tourists from not only India but from all over the world. And it is worth visiting in any part of the year. But the best season would be in the months between February and April. During this time one can expect snowfall while not exposed to extreme cold weather climate and also indulge in several winter attractions such as skiing, hiking & trekking, paragliding and bungee jumping etc.

One can even engage in trekking experience to destinations such as Spiti, Lahaul and Zanskar ranges if winter activities do not enthuse you. The honeymooners would take a pledge of revisiting the place for another cherishing holiday experience at Manali.

Kullu is adjacent to Manali and visit to Kullu will complete the visit to Manali because the twin destinations offer everything from spiritual retreat to the most sought after (by honeymooners) exotic romantic holidaying.

Right time to go to Manali

The best time to pack your baggage and head to Manali is from April-July, which is also the peak season, so make your bookings much ahead of this time to ensure you get to stay in a good hotel or a resort. And if you are thinking of a budget holiday the best thing to do is pick any of the Manali package tours that will work cheaper. Also, avoid visiting Manali during the peak season, as accommodation, transportation, local sightseeing and food might work out pretty expensive, thus, picking the off-season dates is always a smarter option.

What to see in Manali?

In Manali there is Hidimba temple, Vashisht temple, Jagatsukh temple, Manu temple, Arjun Gufa, Tibetan monastery, Rahalla falls are a few interesting places. Also, do not miss out to make a trip to Solang valley, Rohtang Pass, Naggar and Manikaran. You can also check out some of the trekking destinations and can involve in adventurous activities such as river rafting, zorbing, paragliding, skiing, ice-skating etc that will make your trip memorable and enjoyable of course.
