The 9/11 Health and Compensation Act has been designed by the government of United States of America, to help the victims get a reasonable amount of compensation for the tremendous suffering they had to go through. People coming in close contact with harmful toxic chemicals at the attack site, were detected with serious health problems such as Acid Reflux Disease, Upper or Lower airway disease, Obstructive Airway Diseases such as emphysema or chronic obstructive pulmonary disease, chronic bronchitis, Asbestosis and Mesothelioma cancer.

Thus, the Health and Compensation act enabled the victims to get monetary benefits so that they could take care of all the medical treatments and sustain a better living.

An efficient and talented Zadroga Lawyer helps the victim, to file a court case on behalf of all the trauma and suffering he had to go through, at the World Trade Centre attack.

A lot of qualification and experience is required to become an efficient Zadroga Lawyer. A Zadroga Lawyer works on the principle of â€œno win,- no feeâ€•. It thus shows that the Zadroga Lawyer are not money minded and they genuinely want to be help the victims of 9/11 terror attack to sustain a better life.

In order to get a good amount of reimbursement from the court of law, the victim has to legally prove in the court of law that he was actually present at the accident site, when the terror attack took place. This is possible only when the victim is guided in the right direction with the help of a Zadroga Lawyer.

A Zadroga Lawyer would be the right person to be contacted in such a situation. He would have all the details and knowledge regarding the clauses of the Zadroga Act, and could help the victim in winning the case and getting the deserved compensation.

The Zadroga Act was passed by the government of United States in January 2011 to honor the efforts of the heroes who saved millions of lives at the world trade centre attack.

The Zadroga Lawyer supports the sufferers by clearly explaining about the Zadroga Act to them. The victims have to provide the papers with the legal proof to the Zadroga Lawyer, and the rest of the work is handled by the Zadroga Lawyer themselves, such as filling the form and other lawful proceedings. The Zadroga Lawyer takes all the responsibility of the case so that the sufferers can run their day to day activities.

There are two groups of sufferers who are offered compensation as per the Zadroga Law. The primary group includes sufferers who were the initial responder of the terror attack. This might include police personnel, fire fighting personnel, paramedics and other volunteers. In regard to this group, the Zadroga Law would provide compensation for their medical treatments and post trauma care. The other groups of people who are eligible for the Zadroga Law, include, the residents of the vicinity of the twin towers, who came in direct contact with harmful toxic material during the cleaning off procedure.
