Article published on December 12th 2011 | Destinations

Kerala is a wonderful green city of India. The greenery of Kerala catches many eyes. Tourists from India and abroad, visit Kerala because of its beaches and temples. The South-Indian temples are famous for the architecture and sculpture. Kerala has many beautiful temples, which attracts many people. A number of Hotels in Kerala also offers a tour package to the guests. The hotels offer safe and secure rooms and suites to the guests.

Kerala also has five-star hotels to serve the guests and tourists. The facilities include heated swimming pool, restaurants, bars, spa parlors etc. Certain Hotels in Kerala also offers the facility of cruiser. The sightseeing of green valleys of Kerala on a floating vessel leaves a wonderful experience to the tourists. The cruise voyage on the sea gives the ultimate pleasure. Many hotels offer single room set and double room set as per the requirement of the guest. Many hotels and resorts at Kerala welcome the guests in the hotel in a traditional style of Kerala by offering a garland.

The environment of the Kerala hotels is hygienic and clear. The overall of environment of the Kerala is pollution free and the much greenery of Kerala soothes eyes. The five-star Kerala hotels offer an electronic safe in each room for the guests. Hotels also offer the facility of Ayurvedic massage and spa. The restaurants serve both national and internal cuisines to the guests. The housekeeping services and bellhop services of these hotels is excellent. The luxury of the cruisers and hotels are unremarkable. The night stay on the sea makes the tourists feel like haven. The cruise on full moon day gives a high level of pleasure.

It is also possible to book a taxi or a car from the hotel for the purpose of tour. Many hotels provide the facility of car-hire, so that the guests can take the complete leisure of the travel. The hotels also provide a driver with the car if required. Many hotels provide internet facility in the room, so the business travelers can also use internet service of the hotels. Kerala Tourism and hospitality industry provides the best services. Even certain hotels have won awards by the Tourism Industry for the quality services. Most of hotels accept the payment through the credit cards, hence eases the overburden of guests to carry liquid money. All the major credit cards like Visa and MasterCard are accepted by the hotels.
