Make your vacation amazing amidst the land of pristine beaches by Mike Henry

Article published on August 23rd 2012 | Destinations

Ever wished for an escape from your real life? Totally frustrated because of the immense work pressure? Well an excellent place to blow off some steam would be Miami. Also, seasoned travellers feel it is always best to explore a place and enjoy its essence by road ways. Here Miami car rental services come in handy. In an unknown place donâ€™t you get annoyed by public transport? Iâ€™m sure everyone finds it frustrating. Car hire in Miami is cheap and offers you the comfort of travelling around the city in the most convenient way and also saves you a lot of time. Miami is a travellerâ€™s paradise and you will have no doubt about it after your stay here.

The wonderful beaches are like a cherry on a cake. There are many amazing hotspots in Miami and each experience keeps getting better as you keep going ahead with your tour of this place. During your visit South beach is a place one must visit. It a tourist hot spot and the fun of partying and enjoying delicious food makes this pristine beach a fabulous destination. Miami is also known for its famous Miami Zoo. The zoo is one of the oldest in Florida and houses animals from all over the world. Animals can be found cageless living in their natural habitat and it is an experience you would not want to miss. You can use the Miami car rental service and drive down to see the best museums in Florida. The Miami Museum of Science has a variety of kid friendly exhibits and will be a learning experience. Miami also has a Childrenâ€™s Museum to keep your tiny tots engaged. The museum has a variety of interactive exhibits which will keep your children interested throughout.

The trip to Miami would be incomplete without driving down to the Coral Castle. Its uniqueness lies in the 1100 ton coral creation which is one of a kind. A visit to the Everglades is one of the best you can get. The vast stretch of swamps and sub tropical jungles is home to a dozen of rare animals. Endangered species like the American crocodile and the Florida panther are the highlights. It is the right place for adventurers to venture out into the primitive forests while the others can have a gala time camping and also enjoying the canoe rides. This incredible experience will be one that stays in your â€œhappy momentsâ€• forever. Have this joyful experience safely driving around from one interesting location to the next by the car rental service in Miami.
