Temple Wat Phra Yai Has the Biggest Golden Buddha at Pattaya by Mark Spncer

Article published on April 3rd 2012 | Destinations

Pattaya is a wonderful tourism destination of Thailand, reachable from Bangkokâ€™s Suvarnabhumi International Airport, providing the traveler enormous joy and exciting experience, whether touring alone or with the family, and it is an unique beach resort offering land and water sports equally, whilst Travel agents have designed quite some impressive Pattaya tour packages covering important en route and major locations.

The Big Buddha Temple Wat Phra Yai is the major attraction at Pattaya, because a golden statue of Lord Buddha with huge dimensions is erected in this temple, which is a great possession of the Island, and to reach the exact spot where the deity is installed one has to walk long set of stairs which by itself will be a matter of great pleasure during Pattaya tour.

Besides this main attraction, there are many places of interest that a Pattaya tourist group would love to visit as many as 50 spots, few of them being

â€¢Panoramic view of the hill

â€¢Santury of truth

â€¢Silvertake Winery

â€¢Pattaya Floating Market

â€¢Mini Siam

â€¢The Million Year Stone Park and Crocodile Farm

â€¢Pattaya Elephant Village

Reputed Travel agents have designed wonderful Pattaya travel packages in affordable prices, which include return air fare, local surface transport expenses and hotel tariff, while some of the packages cover other important places in Bangkok too, for example

â€¢Five day packages with Two nights at Pattaya and 2 nights at Bangkok

â€¢Twelve day packages with 2 nights at Pattaya, 2 nights at Bangkok, 2 nights at Genting and 3 nights at Singapore

All these Pattaya tour packages would be customized for family tours, group tours and honey-moon tours so that the itinerary would fit in with respective types of tour participant. For instance, a family tour package will have two full days visit to places of interest, sight-seeing and water sports activities at Pattaya and the rest of the package taking the participants to other places like Bangkok etc., whereas the honey-moon Pattaya travel package will include more leisure time activities linked to Pattaya.

Bangkok being the nearest airport for Pattaya travel, there are daily services from most of the international airports, particularly from all the metro cities of India, flight schedules of 30 from Delhi, 11 from Mumbai, 21 from Kolkata, 19 from Chennai and 17 from Bangalore.

On line booking of Pattaya tour packages can be done through any of the Travel Agentsâ€™ web portals, which facilitates a passenger in selecting the right flight schedule and making on line remittances using credit card or net banking facility.
