Amidst the tranquil and otherwise eco friendly lush green surroundings of Sec 12, Dwarka a sub city of Delhi, lies the crÃ¨me colored sandstone building with flashy mirrors of International Schools. A popular co-educational day school in the locality, the school is affiliated to the Central Board of Secondary Education and conducts classes from nursery to XII. The Middle Level from Class VI to Class VIII comprise of children almost into their teens and the style of teaching them involves assigning them independent projects to work on, group discussions- where the students can develope and give their opinions on a particular topic and give power point presentations on subject related topics for which their parents are invited to watch.

The school provides an academic complex equipped with the latest technology. The Teachers strive to identify talent and develop learning styles to direct students to take up programs of their interest. The school on the whole believes in developing a healthy self-image amidst its studentâ€™s inorder to create responsible globe citizens with a strong sense of peace, tolerance and compassion. The infrastructure in the school is spacious. Each classroom is based on the concept of a Smart Class which uses modern technology to make the process of learning fun.

The teacher pupil ratio in each class is restricted to 1:25 enabling each student to get individual attention. The students are also encouraged to advance at their own pace. The Audio Visual Room is furnished with a computer, projector and DVD player where the children are taught through a variety of documentaries, e-based learning programs and project presentations. The school also has a Biotechnology laboratory which offers exciting opportunities for experimentation and the development of a scientific temper.

There is also a computer laboratory, considered to be an integral component of education to make students proficient either in the IT or its associated fields. The aim is to prepare the students for the future. The language Laboratory is aimed at improving the communication skills of the children. The laboratory helps in developing a childâ€™s grammar and vocabulary and focuses on the art of reading and instilling in them articulation and verbal skills.

The math laboratory is where children are exposed to the fundamentals of numbers and the concepts behind complex calculations. The school library consists of a wide range of books categorized under: fiction, non â€“ fiction and reference books. The School is also equipped with a clinic with a qualified nurse on campus to attend to any emergencies. A number of students visit the school canteen for its hygienically prepared food and choice of menu from South Indian to Chinese.

Birthday elebrations are also enjoyed there. Lastly, the school provides ten yellow coloured school GPS monitored buses driven by experienced drivers. The philosophy of the school is summed up in the slogan "Vidya Dadati Vinayam" meaning knowledge alone brings with it humility, light, harmony and peace. The school emblem is a symbol of the unflinching power and humility that knowledge imparts.The students are constantly encouraged to make big plans, aim even higher and work tirelessly to achieve their goals. With an ideal teacher student ratio of 1:17, the teachers at Amity are able to attend to each student individually.
