To learn and to enter a school will be the best gift that our parent will ever give to us. The first is to enter elementary next is middle school then high school and the option to enter college. But it is also important to enter college but we canâ€™t blame our parents if they canâ€™t give us money to enter colle and it is our own decision and way to enter college because this will be the way to our success, the success that we all dreamed of.

College is a way to success as long as we choose the best course that will fit to our interest and most especially the course that will give us the success that we want. About fame and success there is degree or course that will be the great choose and that is the course for film making. There may be little knowledge about film making but this could be a great opportunity for all of the persons to learn about it and be a film maker and earn.

For the knowledge for film making, there are so many film schools that a student can choose where to enroll but one that is recommended is the International Film Base which is located in Australia. Many might be thinking why in Australia if they can learn in the other part of the world. Australia is now the emerging country for film making and they are very eager to have graduates that will create movies that will hit the box office and there are also film makers that studied in Australia.

The school that is mentioned is said to be the best film school in the country also because of the teachers that are teaching in the said school and one of the teacher is Colm oâ€™ Murchu. Colm is one of the best film makers in Australia and at the same time is a mentor. With the great knowledge that he have, he gave himself a responsibility to teach the students that will enroll the school the most comprehensive knowledge that is needed by the students.

There are so many things that the students will learn and it is not limited because all of the things that a film maker must know will all be covered. The knowledge of the director for guiding the actors, the knowledge of the lights and sounds men, the knowledge of the camera men in taking shots. Those are just few from many things that will be learned in the International Film Base.

It is very important to choose the best school for film making because is a student chose the bad school all the time that the student will be in that school will be going to waste. The moment that a student decided to enter the school will be the moment that he entrust the learning that he will get and the school will have a very huge responsibility to provide the proper and most reliable knowledge that they should give the students.
