CBSE is the Central Board of Secondary Education that is a very popular school board of India. It is responsible for organizing the syllabus for primary, secondary and higher secondary levels in a school. And then, based on the syllabus, CBSE carry outs examinations for 10th as well as 12th standards across all schools that follow the syllabus of the respective board. The two main examinations are specifically termed as All India Secondary School Examination (AISSE) for class 10 and All India Senior School Certificate Examination (AISSCE) for class 12.

The journey from preschool to standard nine is not as much challenging as it becomes in class 10. This is so because, in class 10, it is the first time a student sits in the board exams that are conducted at the same time across the country. These examinations decide their future because based on their performance in 10th broad exams, various fields such as arts, commerce computer, and science are offered to them.

In order to prepare thoroughly for the upcoming broad exams, the students take help from various mediums such as the main course books, practice papers, coaching classes, private tuitions, guess papers, and 10th CBSE sample papers. Parents, in order to well prepare their children for board exams, enrol them in various coaching institutes or hire a private tutor for them. But all know that apart from the main course books, 10th CBSE sample papers are very useful to the students.

There are a number of publications that bring out new editions of 10th CBSE sample papers every year. With every coming year, new papers, questions, and solutions are added to the sample paper books. The books on 10th CBSE sample papers donâ€™t only have the past 10 yearsâ€™ CBSE board papers, but along with this, the books also have other practice questions, solutions and different methodologies to solving/answering a question. The 10th CBSE sample papers do not limit themselves to this, but they also provide the student with different tips and tricks of easily answering a question.

Hence, it can be concluded that when one is preparing for 10th CBSE board exams, then he/she must refer the 10th class sample papers that are easily available in the market. It is not a suggestion by few people, but almost all the school and coaching teachers also suggest their students to practice from 10th CBSE sample papers so that their chances to performing well are increased.a
