Article published on April 18th 2012 | Business

Those with businesses in the Ontario area can rely on affordable leases from their local auto dealer. Leases are most beneficial to those who claim their vehicles as a business expense. In Brampton and Mississauga ON, there are vehicles to help you maintain business operations through convenient payment terms.

Leasing allows you to make larger monetary savings. This includes no down payments, lower monthly payments and tax bites, and no used car hassles. Monthly lease payments are 30% to 60% lower than a purchase loan for the same car and term. While low monthly payments are the main attraction, you also enjoy leases because it gives you the advantage of driving the car of your dreams for less money and less hassle.

Ford sedans can be leased from your local auto dealer. A sedan like the Ford Focus can be your personal service automobile while you still canâ€™t afford to purchase one. Its elegance and efficiency perfectly answers your need without hurting your pocket. You donâ€™t even have to worry about bad credit because Brampton and Mississauga auto dealers can give you a loan or lease regardless of your credit standing.

Other than sedans and SUVs, Ontario businesses can lease commercial fleet vehicles. Trucks like the Ford F150, Ford E150 and Ford F550 can accommodate and transport huge types of cargo efficiently. Ontario businesses can also rely on commercial fleet management specialists and maintenance packages for their trucks. There are also custom designed service programs to keep your operations running smoothly.

The car dealerships in Brampton and Mississauga ON provide a full-line of service for every customer. Repairs are done by expert mechanics who offer only original Ford and Lincoln auto parts. Financing is also made easier by a low interest car loan or lease. Auto dealers can discuss with you their flexible payment options to make your purchase stress-free.

The Ford dealers Mississauga and Brampton ON residents prefer make it their priority to provide the vehicles you need. A new and pre-owned inventory as well as a CarFinder tool can make your search faster. A professional staff is also on hand to assist you make an informed choice from various models and makes in their inventory.

The Ford dealerships Mississauga car buyers patronize also offer these services to Toronto and Oakville residents. You can also choose from other Ford makes like the Flex, Fusion and Edge.
