Photo albums- you may think â€“ are pretty standardised. Photo albums from the high street, although available in different sizes and colours are usually â€˜fit for purposeâ€™ and nothing more. Chain- supplied photo albums are blank canvas books that encase nothing more than empty pages, waiting for you to add personal photographs; photo albums are books of weather and splash- proof pages that can happily accommodate a number of photographs but only create lackluster compilations of memories. But, did you know that photo albums could be so much more?

Welcome to Craft Central. We are passionate providers of unique, bespoke Photo Albums and handmade coffee cups that come with exciting new possibilities! From our range of photo albums - leather bound, custom and handmade â€“ you can choose the pages that go inside to create a number of visual effects from traditional- aged aesthetics to antique opulence, we offer a range of homes for realms and realms of wedding photographs, baby photographs and event photographs alike and can accommodate any number of images, all of which you can choose to peruse time upon time at your leisure; all without diminishing their overall quality and appeal.

And whatâ€™s more, if youâ€™re after the ideal gift for a dog lover, ferociously keen feline fanatic or even an intrepid explorer with VW road aspirations, we have a vast array of uniquely designed, hard wearing coffee mugs that are thus far unrivalled on both cost and appeal nationwide. Partnering with branded coffee mugs manufacturers like â€˜Blue Witchâ€™ we guarantee our coffee mugs are long lasting and durable to the highest calibre and whatâ€™s more, these coffee mugs are rarely seen elsewhere!
