Article published on April 13th 2012 | Fitness

Slim N Lift Body Shaper is a body slimming suit which helps you to look slimmer than your actual size. Wondering whether itâ€™s actually possible? Well! Yes it works amazingly. Letâ€™s understand the logic. The material is made from a micro fabric Spandex which is stretchable yet firm. When a person with excess rolls wear it, the extra fat gets so smoothly adjusted in it that all the extra fat rolls just disappear. You get the perfect curves back.

It comes in two Varieties, One is with Straps and the other is without Straps. The advantage with the one with straps is that it gives extra support and a firm looks to the bust line, thereby uplifting it and also has a slit opening for ease and comfort in the wash room. The straps are detachable and can be worn in different styles as per the dress design. Letâ€™s say you wish to wear halter neck top, you can wear just one strap around the neck, or if you wish to wear the straps criss cross then you can do that as well. While, without straps can be recommended for ladies with sizes from XL,L,M and S the one with straps (Slim N Lift Super)can be recommended for XXL and XXXl sizes. You get it in two colors. Clothes fit perfectly and look better without the extra lines and stretches. There is even no need to wear a panty so o worries about the visibility of lines. Itâ€™s hand washable and reusable with easy maintenance.

Now Days there are many online stores with different offers on Slim N lift Body Shapers.

Like www.homeskyshop.com a well-known Online Store has 3 offers running. Single without straps; Buy 1 get 1 without straps; Single with straps and Buy 1 Get 1 with Straps. Prices are well discounted and reasonable. You can even choose the sizes and take two different sizes in the Buy 1 Get 1 offer. Two or more friends can come together and buy the combo with required sizes.

There are different sizes available from â€˜Smallâ€™ to â€˜XXXLâ€™ so there is a Slim N lift suit for all. H choose the correct size depends on your Low waist size. So remember to measure yourself before selecting the size.

If you take the right size you will surely be happy with the results and would fall in love again with your lovely evening gowns.
