Trying to Change the Appearance of Your Home ? Miller Landscape is What You are Looking For by Miller Landscape

Article published on November 28th 2011 | Gardening

If you are thinking of selling your home, consider that modern landscaping can increase the value of your home by as much as 25 percent. Even if you plan to stay in your home forever, landscape designing in your yard can add to your enjoyment of your property and pride in your home. When searching for landscape architecture firms, check out http://www.millerlandscape.net to see everything we have to offer.

We have several methods of landscape designing available to improve the appearance of your home. You may wish for a garden ponds design, water features, hardscapes, planting and sod or any one of our other services. If you are unfamiliar with the different types of landscaping, you may schedule a consultation appointment to learn more. This will also give you the opportunity to view pictures of previous landscaping projects completed by Miller Landscape. You may request a free price quote of products and labor during your consultation appointment.

Before signing your contract with us, we give you the chance to review it and make any requested changes. Once we have executed your revision requests, we ask you to sign a sales contract for us to complete your project. You will need to provide a down payment at that time as well as sign a copy of the sales contract and cost estimate.

We donâ€™t consider your project complete until we have inspected it and ensured your satisfaction. At the conclusion of your landscaping project, we provide you with warranty information based on the materials and brands we used.

Miller Landscape installs a wide range of architectural and ornamental products, segmented retaining walls and interlocking pavers. They specialize in all phrases of brick and interlocking concrete, Belgard & Oldcastle pavers, and are at the forefront of paving stone installation. In addition, their tradesmen are fully trained masonry professionals. Should you need masonry repairs, they can match almost any material seamlessly so that repairs are virtually undetectable.

In addition to landscape design and construction, Miller Landscape offers complete yard and lawn maintenance services including mowing and fertilization, debris removal and yard cleanup, lawn aeration, tree and shrub trimming and treatment, and complete garden care and seasonal color maintenance systems. Do what you do best: your profession, and leave the "how to" landscape challenges and maintenance issues to Miller Landscape. Miller Landscape is a company that provides high quality consultants, craftsman, and reliable contractors.
