Article published on December 14th 2011 | Home

At My Baby Needs we believe that there is no better feeling than welcoming a little one into the world. Along with the excitement, joy and love this brings comes a minefield of decisions regarding baby products, from baby nursery furniture to prams not to mention accessories! This is the main reason My Baby Needs came to fruition, it is a fabulous family run online baby shop designed as the name suggests for all that your baby needs.

My Baby Needs, based in Surrey is family owned and run as an online baby shop by parents so we understand that time is very often of the essence so we have endeavoured to offer all the products your baby needs as well as a few luxuries in categories for ease of use.

We understand that we are dealing with your most precious person therefore when we are selecting our products as well as considering price and aesthetics, safety has to be the number one priority. We only use products which comply with current EU Regulations. On a more personal note many of our products and baby nursery furniture has been used in our own homes we wouldnâ€™t sell you a product we wouldnâ€™t use ourselves.

Our range of baby nursery furniture is second to none with a style sure to suit all tastes, with the click of a button you can chose one of our nursery sets, usually comprising of a cot, wardrobe and chest of drawers, or items can be chosen individually, thatâ€™s the beauty of an online baby shop.

We really are proud of our reputation which sets us among the best in online baby shops, we aim for speedy delivery, quality goods and service and a competitive price. So whatever your baby needs, My Baby Needs can deliver contact us online at www.my-baby-needs.co.uk
