Stainless Steel Garbage Cans are Perfect for Any Room by Alena Smith

Article published on March 17th 2012 | Home Improvement

A stainless steel Garbage Can is a perfect waste disposal for just about any room in the house and just about any location. There are quite a few different styles of can available on the market today. There are many uses for them as well, such as commercial trash containers, outdoor trashcans and the different kinds available for indoor use.

Almost any room in the house can hold a stainless steel Garbage Cans including the kitchen, bathroom and bedroom. They are also available in many different sizes and shapes. The traditional style has flip lid or a hinged-top lid. They are readily available at most hardware and house ware stores and you can find them on the internet too.

There are advantages of a stainless steel Garbage Can to other types such as the ability to keep them cleaner. They are corrosion proof and are easily washed. By keeping them clean, you are avoiding health hazards wherever they are located. Regular cleaning prevents foul odors as well. If you have one in your kitchen, it is especially important to keep clean because of the potential for unhealthy bacteria and microorganisms due to dirty cans.

There are several reasons that a stainless steel Garbage Cans is better than an old plastic one. Here they are:

â€¢ Step on pedal so your hands do not touch the can

â€¢ Flip-lid hides garbage and smell

â€¢ Keeps out toddlers and pets

â€¢ Rustproof pail lifts out for easy emptying and cleaning

â€¢ Steel does not absorb garbage odors

Stainless steel Garbage Cans come in many different styles, models, shapes and colors to match the modern style kitchens of today. They also come in both small and large style capacity and are perfect for indoor and outdoor use, not just for the kitchen.

There are many different manufacturers of stainless steel Garbage Can these days. Some of the more popular brands are Brabantia, Simplehuman, Witt, United Receptacle, Polder, Hafele, Hewi, Aurora, Real Solutions and Amerock. Some of the higher end models sport a special invisible coating that is resistant to dirt, stains and fingerprints. They are also quite easy to clean and come in several different sizes including 5 liter, 12 liter, 20 liter and 30 liter.

Stainless steel Garbage Can can come adorned with your children's favorite cartoon character. NASCAR fans can find their favorite driver adorned on any size or style of can as well. Smokers can find cans that come equipped with ashtrays as well.
