Are you planning a special event? Do you want to make your event the event that leaves everyone talking? Then you need a Custom Pinata that will provide conversation, fun and goodies! These are perfect for birthdays, corporate outings, super bowl parties â€¦ regardless of what the event is, the age of the participants, or the reason for the gathering, there is a pinata that can be custom made for that event.

Children Parties

Do you have a little princess with a birthday coming up? Pinatas make great birthday games and they even provide the party favors, leaving you one less thing to worry about! A custom made pinata can be built to any theme. Interested in a real life size princess pinata that looks alike like your daughter? We can make it happen! Or how about a life size football player pinata with your sonâ€™s name on the back? If you can think it up, we can make a handmade Mexican piÃ±ata to match it. Just fill it with small candy pieces and toys, take a swing and have a blast.

Adult Parties

Adults like to have fun too and what better way to step back in to childhood then with an authentic custom pinata? A giant pinata of a beer can that the guys will love or a huge high heel shoe pinata for the shopping diva ladies; the possibilities are endless but the memories will all live on! A super bowl party with all your friends calls for a supersize football pinata and a friend get together can be made special and unique when you order a custom pinata that encompasses your friendship.

Pinatas for Companies

Is your company planning an event? How about a custom logo pinata filled with goodies and prizes? A retirement party for a treasured boss? Make him laugh when you have a pinata look-alike built!

As you can see, pinataâ€™s are meant to be fun, they are meant to entice giggles and they are meant to be designed in a way that makes everyone smile. A custom built Pinata is special and unique, just like your event. Stand out above the rest and do something different â€“ smash up some goodness!
