Article published on February 9th 2012 | Destinations

For one who is fortunate to obtain an extended stay in Boston the ready availability of some of the finest fully furnished apartments in Boston must surely take considerable load off oneâ€™s mind. Of course there is no denying the fact that the twin cities of Boston and Cambridge are charming, well-planned and totally cosmopolitan. These cities are so comfortable in fact that one does not feel as if one has stepped out of home. Boston is a great hub for higher education in both the sciences and the arts. Itâ€™s also well known for world renowned medical facilities. Its urban landscape is vibrant and the architecture simply amazing. To add to the feel-good factor is the population that is diverse and polished.

When you come for your extended stay in Boston you will quickly realize how easy it is to move around in town. Since both Boston and Cambridge are planned cities, one will enjoy the convenience of all possible facilities just a short walk away irrespective of where the apartments are located in Boston. Boston is a great restaurant town and you will find different types of cuisine available within reach. You will never be too far away from the elegance of Newbury Street shopping or the freshness of Public Gardens. You can enjoy well spent evenings in the Theater District too.

During your extended stay in Boston you can stay in high quality short and long term studios or one, two and three bedroom apartments and townhouses. These apartments are fully furnished and just minutes away from the popular locations that include Downtown Boston and the Boston Metro besides Harvard Square, Kendall Square, Cambridge and Charles River.

The furnished offers apartments in Boston are totally accessorized so that these can meet all the needs of international and corporate travelers. There is a No Fee pricing policy that guarantees freedom from any kind of finderâ€™s fee. A typical one-bedroom furnished apartment in Brighton, Boston will have TV with cable, DVD player and the local area telephone. Wi-Fi facility is available for the broadband and there is the facility of washer-dryer in the building besides parking space for your vehicle. Finally, you can now search for the property while on the go with the help of iPhone/iPad app, Android Tablet App or MS Windows Phone 7 app.
