Article published on December 6th 2011 | Destinations

Dotted with graceful natural treasures and steeped in devout spirituality, Colombo surprises one with its spellbinding ambience, elegance and awe-inspiring beauty. Vibrant cultural scene casts a magical spell and ample of attractions spoil one for choice with the problem of plenty; Colombo sure does leave its visitors in a fix when it comes to choosing from exhilarating outdoors that excite the senses. The experience of holidays to Colombo is absolutely thrilling and memorable.

Millions around the world book tickets to Colombo for spinning the lifetime memories of unforgettable holidays. A unique melange of extraordinary natural splendour and myriads of sightseeing attractions fills every moment spent here with ecstasy. Remarkable wildlife parks, scores of temples and countless historical monuments offer plenty of choices to sightseers while countless shopping options allow shopaholics to satiate their desire for some ritzy retail therapy. Read further and get a notion about the attractions that hold the essence of enchanting Colombo.

National Museum

National Museum is located at Sir Marcus Fernando Mawatha in Colombo Area and is a first public museum of its kind in Sri Lanka. The museum boasts a unique array of outstanding sculptures, impressive manuscripts, intriguing paintings, and stunning royal regalia, besides amazing pottery artefacts, antique furniture, brilliant carvings, quaint masks and ancient porcelain. Manuscripts on Palm leaf tracing the cultural heritage of Sri Lanka are amongst the popular attractions of the museum. Natural History Museum alongside the National Museum is also a must-see attraction where the specimen of rare and endemic plants and animals are showcased.

Pettah

If shopping gives you peace then Pettah is a place to be!! The popular district of Colombo offers a wealth of items like clothes, electrical goods, jewellery, watches, books and much more. Pettah is visited by almost every traveller who grabs cheap tickets to Colombo. Majestic City, Liberty Plaza and Crescat are the compelling stops for laying hands on great handicrafts and excellent tea. Stroll a bit and head to Dutch House Museum located nearby. It is open to public and apt for witnessing the relics of colonial era.

The Gangaramaya Temple

One of the most prominent temples in Colombo, The Gangaramaya Temple stands majestically near the Beira Lake flowing in the heart of the city. It can be easily reached by a short walk from South Beira Lake. The templeâ€™s complex consists of a library and a museum. A century old Bodhi tree is a special attraction in the grounds of the temple. The Gangaramaya temple veritably makes for a pleasant site to witness after netting those cheap flight tickets to Colombo.

Wolvendaal Church

An interesting site to reminisce the past of Sri Lanka, Wolvendaal Church is a perfect epitome of Doric Architecture. Built in the form of Greek cross, the oldest church of Sri Lanka is located in the serene environs of Wolvendaal Lane Pettah. Exemplary Dutch furniture like intricately-carved pews, a lectern, baptismal font and a pulpit are among the attention-grabbing attractions in the church.

Colombo Zoo

The finest place to encounter the vast wildlife of Sri Lanka, Colombo Zoo is a fad among wildlife lovers and families. The spectacular zoo exhibits the substantial collection of about 350 species of animals like red giant kangaroos, wallabies, lemur, leaf monkey, toque monkey and much more. The remarkable aquarium is an attention gabbing feature in the zoo. It flaunts the overwhelming assortment of marine-life including stunning fishes, intriguing mollusc and wonderful arthropods.

The Fort

The Fort is a landmark of Colombo which marks the beginning of Portuguese rule in Colombo. It is a commercial centre and houses office buildings, world-class hotels and great restaurants. Modern buildings like Ceylinco Building, the World Trade Centre and the Hilton, Galadari and Intercontinental Hotels are among the special attractions in the Fort.
