Kerala tour packages: Kerala is exquisitely, romantically beautiful by Ajay Kumar

Article published on January 4th 2012 | Destinations

Known for its lagoons & backwaters, Kerala is a favored tourist spot for both Indians and foreigners. In fact, its natural beauty is so besotting that itâ€™s a perfect romantic paradise for the honeymooners to enjoy their honeymoon in Kerala. Kerala holiday packages are easily available and much sought after due to the number of sightseeing opportunities they offer.

Kerala is a state located in South India near the mighty Indian Ocean. It is owing to its natural splendor, dense jungles and enamoring waterfalls that it has earned the tag of Godâ€™s own country. Its hypnotic beauty was recently captured in the Bollywood film â€˜Raavanâ€™ and thereâ€™s no shred o doubt that this place is one of the must-visit places for every holiday-goer, tourist and traveler.

Beaches & hills: Packages for holiday to Kerala introduce you to some of the most serene seas, rivers and streams. The beaches of Kerala are extremely sedate and usher in bliss with breeze. The omnipresent palm trees create a wonderful aroma that is soothing to the senses while the sandy shores & the sinking sun evoke warm memories. Vacations in Kerala also present the scenic hills in their true glory. Munnar is a popular hill resort which is a delightful place to spend a few cozy days especially if you are holidaying with your wife or girlfriend.

Wildlife: Keralaâ€™s wildlife is a riveting one. The state being a lush, wet corner enjoys a rich flora & fauna that accounts for some of the fantastic bird parks and sanctuaries. Under such vacation packages, you can go gazing at the rare, exquisite song birds or some wild beasts in the popular Silent Valley or Periyar National Bank. Chinnar wildlife sanctuary and Eravikulam National Park are other crowd pullers.

Houseboats & lagoons: The traditional ride on the houseboats across the charming lakes is something you must never miss. The vast expanse of rippling lakes with the haunting eucalyptus trees all around has a sensational effect on the soul. The backwaters & lagoons of this state are undoubtedly its biggest attraction. Under such packages, you can find yourself getting forlorn amongst such awe-inspiring water bodies. Then there are those cascading waterfalls that create a thunderous roar as they plunge from the mountain tops into the bottomless depths of the valleys. A sight to behold!

Other attractions: Holiday in Kerala also give you a peek into the amazing culture of the local people. Elephant rides, fishing, dramas &dance are the traditional elements that you canâ€™t escape and canâ€™t resist. Then the ancient Ayurveda of the state will have a healing effect on the mundane mind. The local food is utterly delicious and the hotels, restaurants & resorts epitomize luxury & hygiene. Kerala tour packages, no doubt, lay down a beautiful path for you to stroll onto.
