Unearth the Beauty of Taj Mahal: the Seven Wonders of the World by Ashish Singh

Article published on January 9th 2012 | Destinations

Shah Jahan the great Mughal emperor of India built Taj Mahal in memory of his dearly loved wife Mumtaz Mahal. It is widely accepted that it is the beauty of the romance of an emperor and his wife, who was the inspiration for this timeless architecture. The symbol of love is one of the Seven Wonders of the World. Every day thousand of tourist both Indian and International tourist comes to visit and see the symbol of love -Taj Maha.

It has filed the untimely death of Mumtaz Mahal Emperor Shah Jahan moved with deep anguish. He was unwilling to accept his departure is beautiful queen and decided to imitate the beauty of their union through an eternal crypt. Construction work began in 1631 and took twenty-two long years hard labor of 20,000 workers for the construction of this wonderful compendium of love.

Shah Jahan known by the name of the memorial after the name of his late Queen Mumtaz Mahal. Since its creation, the Taj Mahal has stood as the quintessence of the faith of the sacred relationship of love and marriage. As an act of gratitude to his eternal love, their bodies have been placed together in an inner chamber of the monument. No wonder so far Taj Mahal Tours Travel is a popular event in India. The Taj Mahal tour takes tourists to the beautiful city of Agra. Here, the Taj is on the banks of Yamuna River, shining in all its beauty when travel in India.

They say the stones are not alive. However, the Taj is perhaps the only place where one can feel the life inside the white marble. It is all in all a different world when you go inside the monument. You feel the joy of living the timeless beauty devotion and faith in the emotional attachment. The beauty of the Taj is so absorbing that tourists find it difficult to deny its charm. In many cases, they are obliged to return again and again to the same place. Each time you a Taj Mahal tours, which welcomes you with an atmosphere of equality Indian travel agency. Looks new, even after several visits.

A lot of tourists travel throughout remote corners of the world with eyes of this beautiful monument. As a look at the reflection of invaluable monument pond in the front of the monument or in the river Yamuna in the courtyards, the view is amazing. It's something you can hardly see anywhere else in the world.

As one steps inside the monument, the intricately designed marble walls to capture the attention of visitors. They seem to be lost in time when an artisan throughout the country grows this dream creation.

But the best part is that the Taj Mahal is known to change color with the change in the position of the sun. Is placed so that it appears pink in the early gold, white dove at noon, sunset orange and milky blue wet in the moonlit night making it most amazing things of the world. If one day tour to the Taj Mahal is common, both in light of the moon is even more attractive. The Taj Mahal on the moon lit up the night casts a spell on its visitors. After visiting Agra and exploring the living legend of beauty and you can heed to Delhi the capital of India and stay a comfortable stay in New Delhi hotel.
