Wonders of World: a gift of mankind by Wendy Williams

Article published on January 13th 2012 | Destinations

Since ancient times people have put together the unique man made wonders and listed them as the wonders of the world. In the middle ages around 2nd century BC Greek writer Antipater listed the Ancient wonders of the world that included objects made by human beings that were considered important because of their size, beauty or some other unusual characteristic in it. These ancient wonders of the world remained the seven wonders for more than 2000 years until people thought of reviving the spirit of the seven wonders of the ancient world.

In the year 2007 more than 100 million people casted their votes for selection of new seven wonders of the world among the 21 finalists shortlist from about 200 entries. The new seven wonders are magnificient monuments known for its splendid charm and beauty. In the older times there were seven ancient wonders of the world that stun people who visited them, but today there are few more impressive monuments that are equally stunning like the ancient ones. Each of this is a man made masterpiece in itself. People residing in every nook and corner of this world are thoroughly fascinated by these manmade wonders and have recently rated them as the new seven wonders of world.

The new seven wonders are Chichen Itza is the religious center more amazing of the Mexican history and one of citadels Mayan more ancient. Christ redeemer, the most important monument of the Catholic parishioners waits for visitors of the whole world with its open arms is also one of the new Seven Wonders of the World. Great Wall of China is one of the most famous structures of the world and unique human creation that can be seen from moon too. Machu Picchu is also one of the seven wonder, the most beautiful Inca city and the main archaeological site of America. Petra, the giant red mountains and extensive mausoleums are appreciated for being one of the greatest wonders worked by the nature. Taj Mahal in India a great marble monument is also one of the greatest creations of mankind and a beautiful gift on this planet earth. This epitome of love is a magnificient monument that reflects immense love. Roman Colosseum an elliptical amphitheater is one of the greatest works of Roman architecture and Roman engineering.

So if you want to witness the beauty of new Seven Wonders of the World than there are many tour operators offering holiday packages to these stunning gift of mankind.
