Article published on January 17th 2012 | Advertising

To buy a product, you can go to any shopping mall, but where to go looking for information on Services that you need in any city / area / country?

Donâ€™t you feel the need of a dedicated business directory that can give you information on all Service Providers, under one roof? Normal business directories are loaded with just products, while Services, which are extremely important in our daily lives, are unable to peep their face out of the water!

And, if a person is recently relocated to a new place, it becomes a herculean task to find good Service Providers who can say for example paint the house OR repair the plumbing leakage!

As such a business directory, which is exclusively for Services, is what we all need!

Whether you are looking for a cleaning company or travel agency or a financial planner or matrimonial services or health care or shoe repair, this Servicesâ€™ business directory should provide information on all such Service Providers.

And an icing on the cake would be if this Service Providersâ€™ business directory is global! This will help in getting information on Services in whichever country we want.

With Service Uncle, Australia (www.serviceuncle.com.au), thankfully, we got the answer! It is worldâ€™s 1st online portal, exclusively for Services! This portal provides information on Service Providers under wide range of categories and in different cities / countries!

There are many different ways by which users can get information on Service Providers with in city. These are:-

Online search: You can search Service by Category and by Area.

Information-on-call: Just call our help desk at +91-129-4240000 (India). And our representative will be there to provide information on Services that you are looking for over the phone itself.

By Chat: You can send your queries through this mode, and weâ€™ll be there to serve you.

The Service Providers can list themselves for FREE. Apply for Free Listing by filling the very simple form in Website.

The Service Providers can also advertise them on the portal, thereby making them much more visible. They can choose from options like Banner, Display Ad, etc. We have different packages viz. Platinum, Gold, Silver & Bronze in Display Ad option, which will get your Ads listed on priority rankings apart from many other advantages.

Anyone can also Earn Money by becoming Strategic Partner of Service Uncle. Under this programme (which is like a Franchisee concept BUT with minimal or NIL investment), you can get direct commissions on sales made directly by you. You can also create your own network of Strategic Partners under you and get indirect commissions on sales made by them, whereas your network Strategic Partners will also get direct commissions on all sales made directly by them.
