Service Uncle is a suitable directory for Service Providers by [Uncleservice](#)

Article published on February 23rd 2012 | [Advertising](#)

How many times have you referred a business directory? Have you noticed that all such directories are generally filled with heaps of information about the products, whereas Service Providers (which are extremely important in our daily lives) try to peep out so that they can be seen!

Be it a travel agency or a cleaning company or a logistics company or a financial planner or matrimonial services or health care sector or an educational institute or even shoe repair shop, it is extremely difficult to get information on all these Service Providers under one roof, and that too globally!

And, if a person is recently relocated to a new place, it becomes a herculean task to find good Service Providers who can say for example paint the house OR repair the plumbing leakage!

Service Uncle, Australia is a unique business directory which is exclusively for Service Providers, and so is the most suitable platform to promote your Services! It is worldâ€™s 1st online portal, exclusively for Services!

An icing on the cake is that itâ€™s a global directory! This helps in getting information on Services Providers in whichever country / city you are interested in.

Different ways by which users can get information on Service Providers are :-

Easy online search: Service Category-wise, Service Provider-wise and Service Area-wise.

Service Info-on-call: Just call help desk no. +91-129-4240000 to get the information over phones itself.

Live chat: Your queries can also be answered through this mode.

Service Uncle Portal has many other added features like â€¦

Get Information on Email: Users can just enter their email ID and the information of Service Provider will be sent to them through email â€¦ Free of cost!

Get Information on SMS: Users can just enter their mobile number and the information of Service Provider will be sent to them through SMS â€¦ Free of cost within India!

Email this business: Users can send their enquiries to Service Provider directly from the portal â€¦ Free of cost!

Service Providers can also advertise on the portal, thereby making them much more visible. COST-EFFECTIVE options available are: Banner, Display Ad, Running / other Ads. Under Display Ads, Platinum, Gold, Silver & Bronze packages are available, which will get your Ads listed on priority rankings, apart from many other advantages. To do this, simply click the link <http://www.serviceuncle.com.au/advertise-with-us.php> and see your business soaring!

Anyone can also Earn Money by becoming Strategic Partner of Service Uncle. Under this programme (which is like a Franchisee concept BUT with minimal or NIL investment), you can get direct commissions on sales made directly by you. You can also create your own network of

Strategic Partners under you and get indirect commissions on sales made by them, whereas your network Strategic Partners will also get direct commissions on all sales made directly by them!

Service Uncle also adds some fun to the business by way of a foot-tapping theme song (<http://www.serviceuncle.com.au/songs.php>), and features like Service Uncle Tips, make Service Uncle as your friend, etc.
