Article published on January 30th 2012 | Entertainment

Netflix is the convenient and affordable way to rent movies online. They have a great range of TV episodes, new releases as well as classic movies. And with Netflix, you're sure to find your favorite film or TV show at the price you want to pay for your online movie rental plan.

Who are Netflix? Netflix is the world's largest provider of entertainment on demand with more than 11 million subscribers enjoying instant access to unlimited TV episodes and movie rentals.Started in 1997, Netflix has grown fast and now has nerly one million subsribers in less than 4 years.They have also won a multitude of media awards for their innovated approach and call to excellence, ranking Netflix number one in customer satisfaction. And according to Newsweek Magazine, "Netflix has revolutionized the way we watch movies".

Netflix benefits Rent movies online from Netflix or pay a fortune for premium cable service? The answer is simple: why pay for cable movies that you have already seen or just do not want to watch? With a basic plan from Netflix, you may rent the movies that you want to see, whenever you want to have them.You may want to watch movies that offer an instant streaming download delivered to your PC on demand, or you may opt for a DVD to be mailed to you, delivered from 100 shipping centers across the country.

Your DVD will arrive just 1-2 days after processing and you may choose a pricing plan that suits your needs. You can also cancel your membership at any time without worrying about any extra charges.The first step to rent movies online at Netflix is to choose your monthly plan. How do the Netflix membership plans work? The Limited Plan is just $4.99 per month and allows you to watch up to two hours of film or TV online.However, the best economical choice for movie rentals is in the Unlimited Plans. These allow you to rent 1, 2 or 3 movies at any one time. The basic plan allows you to have one DVD at a time, or try an upgrade to just $13.99 allowing you more movies to rent with two DVDs checked out at once. And the $16.99 Unlimited Plan extends your online movie rentals to three DVDs out at a time.

In addition to the DVD disc rentals, Netflix members may watch any of their movie rental selections with "instant access" downloads.Why should you rent movies online From Netflix? They have a vast range of movies as well as TV series. So finding something you like to watch on a regular basis is easy. There are also many ways in which you can watch movies i.e. on PC, Xbox etc so you will find the right one to suit.There is no reason not to rent from Netflix. If you are still not sure for free movies online, you could try the netflix free trial offer? And if, after 2 weeks, you are not satisfied, just cancel your subscription and leave.

A highly recommended Netflix ready device is only way where you can watch online hindi movies. The Roku XDS is 1080p HD ready and you can stream over 2000 high definition videos from VuDu and Amazon Video on Demand. Check out the from LG if you want to upgrade your TV set to fully enjoy HD videos.
