Add new glory to your occasion with Schupepe stretch tents by Celina

Article published on February 22nd 2012 | Family

Schupepe is an Auckland based marquee or stretch tents hire company. They are able to provide you perfect tents for any kind of occasions like weddings, official parties, events, and anything else. They started it after taking inspiration from Bedouin tents of the North African Nomadic tribes.

They keep extensive knowledge about the requirements of industry and are committed to provide you services accordingly. When you hire marquee from here then you can give quite an impressive look to your occasion. In this way you can add new glory to your function. All their stretch tents are offered to you after completing NZ/AU Fire Retardancy Standards and also have certification from local Council requirements.

They have the availability of stretch tents for all weather and also provide you different sizes in it. So whether you event is big or small, you can get any kind of tent from here. So now just visit schupepetents.co.nz to convert your occasion from ordinary to extra ordinary and make it memorable for your family and friend forever.

Now you have become familiar with Schupepe. Now itâ€™s the time to give you some information about their products such as stretch tents. They get all their products developed in Cape Town, South Africa. But it doesnâ€™t mean that their products are available in South Africa only because they distribute it around the world that is in Europe, Asia, Namibia, the Seychelles, UK, and Mauritius. Their tents provide you best shade even in awkward ambiance. Other than hiring for occasions, you can hire them for rigged on the beach, car parking, on rugby fields, off walls, over pools, around trees, on balconies â€“ and even in your own back garden to provide it shade.

Their designs of stretch tents are just eye catching which are able to give attractive appearance to you occasion or event. All their tents are water proof so you need not to think about weather while arranging any function and occasion. One of the best features about their stretch tents is that they are very easy to rigged and also not bulky in size. It means you can easily transfer it from one place to another. It is the feature which is liked and asked by almost all. All their stretch tents are designed in such a way that is unbeatable. In short I would to say that they are just perfect to make your occasion rocking.
