Many of us will have enjoyed a childrenâ€™s party with a bouncy castle when we were younger, but adult bouncy castle hire ensures that those looking for a fun way to mark a special occasion can draw on their youth and have a fantastic time.

When it comes to adult bouncy castle hire, quality and safety are two important considerations. Adult bouncy castle hire castles need to be durable and unlike other types of bouncy item, need to be sturdy enough to be able to take the weight of a number of adults.

Here at Mega Inflatables we specialise in adult bouncy castle hire and our range of adult bouncy castle hire options is both comprehensive and affordably priced, allowing our adult bouncy castle hire customers to get the option which is perfect for their needs and budget.

We have been offering adult bouncy castle hire for more than four years, and during this time in the adult bouncy castle hire sector we have built up an impressive collection of adult bouncy castle hire options which ensure that those looking to throw a party with a difference have a great range of adult bouncy castle hire choice.

As well as traditional adult bouncy castle hire options, our range of adult bouncy castle hire includes inflatable boxing rings, sumo suits with crash mats, gladiator duel sets and fantastic bungee run options complete with slam dunk inflatable basketball nets at one end.

Our range of adult bouncy castle hire options also includes a number of big slides, which are fun for the whole and are popular adult bouncy castle hire choices for those hosting parties for people of all ages.

Many people coming to us for adult bouncy castle hire choose our traditional adult bouncy castle, which measures 19 by 17 and is suitable for use by adults as well as children. To make using our adult bouncy castle hire services as convenient as possible, we offer a number of different adult bouncy castle hire packages, including day hire and overnight options.
