Article published on February 7th 2012 | Family

Who doesnâ€™t desire to live a healthy life? It is the increasing pollution levels that have created havoc on earth. Pollutants in water cause 80 percent of the existing diseases on earth. Dust and air pollution causes various types of allergies, including life threatening ones. Thanks to research efforts undertaken by companies like Eureka Forbes Ltd., introducing solutions for leading a healthy life! At Eureka Forbes Ltd., ideas are continuously explored and evaluated and the suitable ones are adopted and implemented. The objective behind the research efforts is bringing safer, better and increasingly valuable technologies to the peopleâ€™s advantage. Visit eurekaforbes.com to take a tour of the company and its complete product range.

There are five product segments that Eureka Forbes Ltd. deals in, viz. water purifiers, vacuum cleaners, air purifiers, security systems and solar lighting solutions. The last segment is recently added to the Eurekaforbes product portfolio. You will always find in the news something distinctive about this company. And introduction of Eurodiya solar lighting has created much buzz. This substantiates the fact that Eureka Forbes Ltd. never stops researching. Newer models get added to the kitty in sync with emerging trends and technologies so that what consumers get is the best. â€˜The â€˜not invented hereâ€™ syndrome does not apply with this company.

To view each of the Eurekaforbes products, visit eurekaforbes.com. Browsing through the image, price, description, features, and technical specifications against each product happens with a few clicks of the mouse at eurekaforbes.com. And visiting eurekaforbes.com, you will know which products are available for home demos, via direct sales, i.e. right at your doorsteps, and which ones at leading consumer durable, home appliance and modern organized retail outlets. 3988 3333 is the Eurekaforbes customer care number accessible round the clock. Just dial the number to enquire about the products and to order products that are tagged under â€˜direct salesâ€™.

Dialing the same number, you can place after sales service requests. Prompt and courteous response from the other end is always assured. Eureka Forbes Ltd. never leaves any scope for grievance. The company has over 1500 service centres across the country where 5800 plus trained technicians operate. Just place a complaint or service request and the Eurekaforbes technicians will arrive at your doorsteps within 24 hours. In case you are not satisfied with the service, you can fill the redressal form or mail to the company executives at the related page at eurelaforbes.com. It is a five step process. The ultimate aim is to achieve complete customer satisfaction, even beyond their expectations. After all, the thirty years of dominant market rapport would not have been maintained if the Eurekaforbes executives hadnâ€™t met the expectations of the consumers. Today there are over 30 million users of products from the house of Eureka Forbes Ltd. and the count is only increasing by the day!

If you want to be a part of the race of â€˜healthy peopleâ€™, start using Eureka Forbes products. Investing on Eurekaforbes products is investing on your health, your life.
