A lot of people nowadays are hooked on to the fabulous iPhone 4. This is a stylish phone and also an expensive one so you need to protect it properly. You will find a wide range of iPhone 4 cases and there is one to suit every lifestyle. So let us check out some cases for iphone 4 that are currently available at the nearest store near your place. We start with the DuoShell case. This one is really stylish. It is sophisticated as well as fashionable. You can choose from a variety of colours. There is one that glows in the dark. If you are someone who stresses on fashion and also functionality then this one is just right for you.

Next, we come to the MicroShell case. This one is really ultra-thin (less than 1mm) and lightweight too. Regarding protection, this case protects the side and back of your iPhone 4 from scratches. Both the DuoShell and MicroShell iPhone 4 cases are for people who want something that looks sleek but also offers protection.

There are also rugged cases for iPhone 4 meant for the tough ones. If you are someone who is always in motion and there is lot of sweat and the occasional collision then the Sport Shell convertible case is just the thing for you. This one is lightweight and the thickness is just 2mm. The case comes with a rotating back piece that can be attached to your bag, belt, strap or whatever you might be wearing. The Eco-Runner case can also be a good option for those who love to work out.

Actually, there are many iphone 4 cases to choose from and the list is endless. However, while buying cases for iPhone 4 it is advisable to choose one that fits your lifestyle and not the other way round.
