Purple Enterprises: DJ Equipment for the Professional Touch by James Blee

Article published on August 8th 2012 | Music

If have high ambitions of bursting onto the Ibiza hardcore DJ scene this summer but lack the mixing and scratching skills of Pete Tongue and your musical tastes remain reminiscent of your grandmotherâ€™s; whose main heartthrob is still the â€˜one and onlyâ€™ Engelbert Humperdinck, you rea should start considering some serious â€˜houseâ€™ honing and â€˜tranceâ€™ training because, if you are about becoming a household name, there really is very little point digging out your old stereo and baseball cap; youâ€™ll be fooling no one!

DJ equipment and studio equipment: brought to you by South African music mogul giants, â€˜Purple Enterprises; superb quality, highly effective, 100% reliable and affordable to boot! For DJ equipment AND studio equipment that promises professional results everytime, they are a force to be reckoned with; up there with the biggest disc jockeys this side of world.

With their vast background and knowledge of DJ Equipment and studio equipment of the very highest calibre, utilised by some of the biggest DJ names of today, Purple Enterprises are proud of what their team of experts can offer you with regard to DJ equipment and studio equipment advice and guidance. What Purple Enterprises donâ€™t know about DJ equipment is frankly, not worth your time of day. And, whatâ€™s more, purchase your studio equipment with them and you get a guarantee; a lifetime guarantee of audience- pulling ability. Why? Because whereas the results you could gain alone- with no professional DJ equipment â€“ would be substandard, not dissimilar to the â€˜mix tapesâ€™ made as an adolescent, the results you will get using our DJ equipment are unrivalled and your tracks will sound professional, skilled and honed and there will be nothing amateurish about you; â€˜zeroâ€™ to â€˜heroâ€™ quicker than you can say â€˜Amnesia!â€™

DJ equipment and studio equipment from Purple Enterprises: Where all the elements of progressive culture express themselves in the aural treasures of music, and the tools to create it
