To choose from a selection commercial dishwashers the visit Proton Washrite by

Article published on July 12th 2012 | [Advertising](#)

---Are you looking for business that can offer you a selection of the finest commercial dishwashers? Have your Commercial Dishwashers encountered a number of different issues, and hence you require the services of a reputable business to supply you with reliable replacements? If this sounds all too familiar then the only business that you need to consider is Proton Washrite.

Here at Proton Washrite we have a selection of the most reliable and affordable commercial dishwashers of any business in the UK. Indeed, as industry leaders we can supply you with a number of makes and models to suit your individual environment.

Our additional services extend beyond the sale of new and used commercial dishwashers. We can provide our customers with a dedicated and diligent commercial dishwashers repair service, and even supply you our own brewery approved chemicals to ensure sufficient cleaning of commercial and industrial dishwashers.

Indeed, the selection of commercial dishwashers that we offer is the core of our product portfolio. The Proton Washrite W600A commercial dishwashers are amongst the most popular commercial dishwashers in our range. With simple and reliable electro mechanical controls and components, a stainless steel wash tank, filtration system with removable cassette, and a moulded stainless steel interior they are surely as durable and effective as they are affordable and essential.

Indeed, our tremendous choice of commercial dishwashers will surely suit every single application. Each of our products features a flexible modular construction which means that we can assemble the optimum configuration to meet the exacting standards of each of our customers. With throughputs from one thousand six hundred and fifty to four thousand six hundred and sixty plates per hour and a wealth of standard options to choose from we surely have a Washrite machine to suit everyone.

To find out more about the selection of commercial dishwashers of Proton Washrite, or indeed if youâ€™re interested in contacting us with a view to purchasing one of our machines then come and pay us a visit online at: www.proton-washrite.co.uk.
