Loan application submitted by the people who hold bad credit are generally rejected by the financial agencies, and this is an insulting embarrassment which no one wants to experience. It is again true that people who are stained with credit status have genuine and serious demands for finance. Sometimes, funding is urgently needed for medical treatment or for clearing tuition fees of the school or college-going children. The finance market has introduced installment loans no credit check to relieve these men and women from embarrassment, no doubt. Installment loans no credit check is free from credit checking.

Installment loans no credit check are offered in secured and unsecured variants. When the loan seekers go for installment loans no credit check in secured variant, they are to put up some tangible properties which the finance providers treat as a pledge. The finance providers enjoy the right to take possession of the collateral property if they do not get back their investment within the stipulated time. They, of course, warn the borrowers to clear the outstanding, before they take the drastic action.

Installment loans no credit check are, otherwise, good. An amount between Â£5000 and Â£75000 can be fetched by the loan seekers. They are instructed to pay back the loan amount within 5 and 25 years. Moreover, interest is charged at low rates.

On the other hand, an amount in the range from Â£1000 to Â£25000 is available to the people who go for installment loans no credit check in unsecured form. Finance of this type is free from collateral, but the finance providers charge the interest at higher rates. The repayment duration is allowed within 1 and 10 years. It is important for the borrowers to bear in mind that they must not default in reimbursement. There are provisions of fines or penalties for miss-behavior in repayment.

The loan seekers must be adult citizens of Great Britain to be qualified for installment loans no credit check. They must possess a valid and active savings account. The payable amount is sent to the bank account of the borrowers through bank transfer mode. It is necessary that the loan seekers are employed or self-employed and that they earn at least Â£1000 in a month on regular basis.
