Bharat City Township abides by the age old Indian philosophy of â€˜For the Peopleâ€™. A comprehensive yet extravagant community spread over 60 acres; Bharat City is one of the hottest township properties in Delhi / NCRâ€™s real estate market. The Indraprastha Yojana boasts about being the largest residential complexes at Ghaziabad and offers 5000 units along with an array of options in sizes, designs and layout styles to unveil the pure bliss of a modern day lifestyle. Bharat City has come up with 2 /3BHK chic and plush apartments spread across an area of 60 acres, located at the corner point of Hindon Airbase.

The closer proximity to Delhi Metro Lines of apartments in the Bharat City Township facilitates the residents to connect to the Capital easily. For people who live and have their jobs in Delhi/NCR region, Ghaziabad is an ideal and peaceful residential location. Bharat City Township has abundant shopping malls and retail stores to make your shopping experience better than ever. Raising kids is never been easier because the Bharat City has top class educational institutions in and around its vicinity. Bharat City Ghaziabad offer you everything that you always needed to build your dream house but with the affordable pricing and contemporary housing options, you can say goodbye to your budget worries. Be it a cozy humble abode or a magnificent apartment, The Bharat City has all options to suit your pocket and style.

The Bharat City apartment has been designed and crafted by best architects and aestheticians from the industry. All the apartments have stylish vitrified tile flooring with tasteful wooden flooring for the master bedrooms. The kitchens and bathrooms come with the most modern fittings and amenities with light points on ceilings of all rooms and modular switches. The Bharat City apartments have been designed as per the earthquake resistant RCC frame structure to avoid the danger. The Interiors have been tastefully done with pleasant colored oil distempers on the walls and ceilings.

Bharat City Ghaziabad is predicted to be one of the world's finest continually-evolving urban environments. Apart from all the facilities, The Bharat City Township builders boast of providing their residents with a lot of customized options so that you can design your apartment according to you and of your choices.

The Bharat City conceptualizes itself as a â€œWalled Cityâ€• with an extremely environment friendly township and its surroundings contain various physical & social infrastructure components. Its master plan is idealized chiefly by taking regard of the prospects as well as the limitations of the location with a sustainable and environmental friendly land use.
