Article published on May 29th 2012 | Real Estate

Owning a house has always been a dream for lower income families. This is because of the escalating prices of apartments/plots in India every year, which results in building up slums in the form of affordable housing. Entering the race for low-cost housing, many builders are taking chances to build affordable homes to satisfy middle and lower class people who expect a simple living.

When it comes to Gurgaon, it is one among the satellite cities of India. And this creates an obvious reason for the hike of prices in the residential sector. Being everyoneâ€™s dream destination, the residential projects in Gurgaon are designed in harmony with nature. Many prominent builders are planning towards an affordable house which people can call it as a dream home. A dream home is nothing less than a paradise for lower income people who dream of a simple life in the lap of nature.

Gurgaon is a city of vision ahead of times. So, if you are planning to own an affordable house in this prominent land, then take your step ahead to indulge yourself at radiance place in Gurgaon. The residential projects in Gurgaon offer you opulent living space with world-class specifications that perfectly cater to the taste of the highly demanding nouveau riche.

Experiencing the best of life, Gurgaon Residential Projects provides you the basic amenities that makes living more comfortable such as round the clock security, 24 hrs power backup, green landscaping, open parks, secure environment and many more.

All residential projects in Gurgaon are planned in a perfect location where it is never far away from the spots like schools, malls, markets, hospitals, nursing homes, playground, parks, restaurants, hotels, gymnasium, spa , saloon etc,.

Since the Gurgaonâ€™s transportation facilities have increased to a certain extent, there is no way to ignore these well planned residential projects. You are always reachable to the places such as airport, railway station & metro station, Golf Course-8, KMP Expressway and many more.
