Many people still think that Golf is a game for the rich men only and hence common people cannot go for the same. However, since it is a wonderful game you might have an urge to play the same irrespective of your richness to become eligible for the same. In order to quench your thirst for it you can make a plan for holiday in places like Dubai or Abu Dhabi where you will get splendid opportunity to play golf. In the recent years, Dubai has noticed certain changes for which it has become one of most tourist destinations in the world. Dubai golf courses are also highly admired by the tourists for their excellent and well-maintained look.

For a wonderful experience, you can also play golf in Dubai at night. If you are going to do this for the first time then you will surely be able to find the difference between playing there golf in sunlight and in the night beauty of the same. Out of all the international standard courses available in Dubai, Arabian Ranches Golf Club, Dubai Creek Golf & Yacht Club, Emirates Golf Club, Four Seasons Golf Club, Jebel Ali Golf Resort, Sarah Golf & Shooting Club and the Tower links Golf Club â€“ RAK deserve to be mentioned.

Like Dubai, golfers also love the green spaces located in Abu Dhabi to gather a novel experience in playing the game over there. The high quality Abu Dhabi golf clubs are the Abu Dhabi Golf Club and Equestrian club, Abu Dhabi mainland, the Al Ghazal, and the Yas Links Dubai golf courses. The scorching heat of summer is a problem for the golfers and hence it is advisable to start the game as early as possible to enjoy every moment of the same. Besides giving opportunities to the golfers, this country offers some entertaining games like deep-sea fishing, kayaking, and other leisure activities to the non-golfers as well.
