Article published on February 24th 2012 | Food

If you are a cocktail lover, you would not deny the fact that dirty martini olive juice is the most loved cocktail in the world. They score high on popularity as gin and vermouth are its chief ingredients. Olive and lemon are the garnishing items. Nowadays when the drink is prepared at the bar, the gin and the vermouth is not added. The entire mixture is shaken instead of stirring so that the taste of the olive can be felt. Vodka does not have any individual taste but the taste of olive is brilliant enough to make the final preparation an item to cherish forever.

If you are throwing a party at you home and want your guests to remember the cocktails served in the party for a long time, go for preparing the dirty martini olive juice or make arrangements to have it in the list of cocktails. Your invitees will definitely appreciate the taste of this tasty cocktail and besides that, will be thankful for your choice. This drink serves two purposes in the parties. The first is that the taste soothes every drinker and secondly the beautiful color of the drink also appeals to the eyes of the beholder... In this way you can maintain the privacy of your party and save the cost of hiring him as well.

For making the special quality martini olive juice for your guests, you should not compromise on the quality of the olives bought by you. Other than vermouth and vodka you can also add cherry, whisky or dry Manhattan. This will lend a bitter taste to the juice and tastes great when taken with tequila shots. Some of the best and popular juices in the market are available online as well which usually come with affordable price tags.
