Article published on March 13th 2012 | Shoes

Arden shoes are a range of handcrafted fine leather shoes that are purely luxurious and immensely stylish. Arden offers a multitude of options that not only look good but make you feel good as well. Conceived with the sole aim of producing fine quality leather shoes all over the world Arden is aimed at helping people to set new trends and stay stylish.

Headed by a dynamic and young leader, Arden is completely at par with the global trendsetters who make the cut. Arden shoes comprise of a range of stylish and well-cut pairs that are made of fine leather and are 100% wearable. Ranging from formal to casual and outdoor, a wide variety is on offer at reasonable prices.

At Arden, high class and quality are completely kept in mind throughout the stages of conceiving a design and its execution all through the final stage. Ardenâ€™s design team makes sure that each piece is unique and completely different from all others. Instituting simple designs and taking inspiration from the variety life offers to us, Arden sees to it that it keeps you stylish and well groomed at all times.

Arden is Indiaâ€™s first designer footwear brand exclusively for men who appreciate individuality and want to set trends. Offering you a range of designs in boots, ruggeds, brokens, formal and casual shoes Arden keeps track of all your needs for stylish footwear that is completely wearable and durable. It is more like a design house that aims at making luxury footwear that instantly appeals to the trendsetter in you and sets you apart from all others.

The USP of Arden is its ability to completely transform an outfit from dull to interesting with a pair of shoes that complement your personality. Even since its inception, Arden has been a believer of individuality and appreciates uniqueness which makes it a top notch design house providing luxury shoes. Another impressive feature is that these are the shoes that can be worn on any occasion whether formal or casual and can very well make you look like a complete gentleman.

Arden group strives to provide you designs that complement your personality and make you look well groomed from head to toe. Each piece is handcrafted to perfection and designed according to the needs and specifications of the customer. At Arden every individual believes â€˜Shoemaking is an art, not a scienceâ€™ and completely adheres to the fundamentals of making good quality footwear that appeals to the one wearing it and impresses those looking at it.

Arden has gone to become one of the best designer footwear brand catering to complete style needs of its clients and giving them masterpieces that they can cherish forever. It is a thumb rule at Arden to keep it stylish yet sophisticated which helps keep it subtle instead of making it loud. At Arden you will never come across something that is trashy or too loud that fails to satiate your appetite.
