Article published on January 4th 2012 | Shoes

Although there were good brands available in India, something was missing that would give both men and women a distinctive personality and also suit the weather in India. At such a time Woodland shoes were introduced in India. And since then there is no looking back. The shoes were a hit right from its launch due to its sheer earthy and adventurous look and the style and design that they were built with made people fall in love with it.

Shoes with a difference

The shoes had a totally different look to it and therefore men and women loved to wear them. The Woodland shoes were considered to be the most toughest and reliable shoes that were available in India. Not only the looks, even the prices too were affordable and were available all over the country.

Today, you will find a wide variety of shoes from Woodland that give comfort, reliability and are built keeping in mind the latest trend in the market. Currently, Woodland is leading a top position in the market and is the most sought after brand and a favorite among the youth as well as those who are adventurous and like to explore the outdoor life.

The quality is truly excellent. No other brand makes shoes as tough as the Woodland makes them. The materials used are thick and come in leather or hard fabric to last the rough outdoor situations. They last long as they are all hand stitched leather that can last and last. You simply have to take a look at it and you will know the toughness and its durability. For those who love to have a variety of looks in their wardrobe, then Woodland shoes are highly recommended.

Types of shoes

Woodland shoes come in various types for men and women alike. You can buy from their range of sports shoes, tracking shoes, casual shoes, formal shoes, sandals, and many more. You will also find various colors to choose from. However, all the colors are subtle and earthy like the browns, greens and beige. They do go well with the outfit you wear as they have been designed to suit anything.

Explore the world of Woodland and you will be thrilled to buy Woodland shoes for their wide range of choice and a varied price range as well.
