Article published on May 24th 2012 | Shopping

Baby Nest stock a wide range of baby equipment from some of the most popular brands such as Mamas & Papas, Britax pushchairs, Bugaboo, Phil & Ted as well as Maxi Cosi and lots more. They are also the main stockist of nursery furniture, carry cots, prams as well as car seats, cots and bedding and then travel cots and highchairs. Aside from buying these things through online, you can also visit their store in Croydon, Surrey wherein you can park your car easily, friendly and knowledgeable staff and fast delivery for any items that could hardly fit into the car with you. You can also find here at the Baby Nest the largest independent showroom/boutique in London, which will allow them to provide you with a wonderfully large selection of their major brands of baby furniture, strollers and more.

The fabulously versatile Bugaboo Cameleon Stroller actually adopts its environment in order to give you the easiest as well as the smoothest time with the stroller. Another aspect to the Bugaboo is its great choice of colour combinations wherein there are 108 of them, so you can truly owned a Cameleon Stroller that is quite unique. These are also ideal for baby or even for the toddler because of the reason that, it has the quality that you would truly come to expect with some of the added benefit of customization that will also allow the pushchair to adapt in order to fit in your child through his or her earliest years.

Other than that, the Bugaboo Wheeled Transport Bag is also a great idea, especially when you are going on holiday because of the fact that, you will no longer need to lug a suitcase with you as well as pushing the stroller because it is already all together in one piece. And with all these combinations really makes the Cameleon stand out from the crowd. The Babystyle Oyster pushchair is such an affordable and practical stroller in transporting your baby. It is also lightweight and compact and it's full of great features that will surely make the life of the parents much easier. It has also a reversible seat unit, so the baby can face away or towards you, whatever you prefer.

Other great things about the Babystyle Oyster pushchair is that, it include an extendible hood/sun canopy as well as adjustable handle height, large easy access shopping basket and many more. It also features an innovative easy-out harness wherein the harness belts and belt buckle are no longer get in the way, and then the adjustment of the headrest and harness belts can just be easily done with the use of only one hand. The safety of the Maxi Cosi Tobi car seat is also very strong because it has a Side Protection System which offers optimal protection against side impact, as well as extra firm installation of child. All of the things you needed for your little one can only be found here at Baby Nest.
