Hairs depict the personality of the human being clearly and it is noticed by every person. This is the only reason that why people are more concern about their hairs these days. In Todayâ€™s fashionable era, there is a trend of long hairs and every woman is expecting to have an elegant looking long hair style. But the problem arises if you donâ€™t have long hairs and want the hair style of long hairs. What will you do in that case? Well, if we have a look, we will find that the human hair grows only Â½â€™â€™ in month and if you have blunt cut hairs and want long loop hairs then you will have to wait for at least 2 years.

But no one likes to wait for such a long time and they want instant results. This has highly forced the beauty industry and after recognizing the demand of the customers they has started the trend of natural looking long and trendy hairs which is these days popularly known as Human Hair Extensions. These extensions are not only fulfill one purpose of long hairs but also provide the awesome and heavy look to the hairs.

Anyone can apply hair extensions on their hair as these extensions can be applied on all types of hairs. Extensions are available in different styles and textures namely, vivacious ringlets, straight and sleek hair and also available in all types of colors with extra enhancements of low lighted and highlighted hair extensions. But the process of hair extension is very challenging as it requires a procedure to follow and the also requires many hours to apply. Still people were making use of these extensions as they fulfill the needs of many customers who have short and light hair problem.

There are different types of hairs on which hair extensions can be applied easily. Basically there are two types of hairs â€“ human and synthetic hair. Synthetic hairs include the trendy and fashionable colored hairs like pink, red, blue etc. But if you want to look natural then you have to go for the human hairs that are basically gives heavy look with natural brown, black color hairs with different textures. Here texture includes the hairs of all types namely curly hairs, straight hairs, light hairs and heavy hairs etc. But to apply extensions in your hairs you need to have strong and healthy hairs.
