Article published on February 20th 2012 | Sports

Playing golf has always been considered as a royal sport. It has always made the player stand out amongst the crowd by the sheer elegance of the sport. And this has increased ever since Tiger Woods is in the domain of the golf players. Golf now has created a fresh name and popularity for itself and now not only the royal people play this game but also a lot of youngsters from different status and background are showing interest in the game.

Winning in a golf game in the earlier days was considered as the individual endeavour, but now it is such a sport that is kept track of by many people all over the world. Some of the golf news mostly looked for by the people of the world are the championships that are coming up in the recent times, the PGA tours that are on the cards, the latest ranking of the golf stars etc.

In fact these days, the golf news is considered as one of the main sports news in the media. The recent popularity of the game amongst the younger generation of youth has also enforced the media to keep a track of what is happening in the domain of golf all over the world, all throughout the year.

The standard of the game of golf is on the rise with each passing day all over the world. The most recent golf news is that most of the European and the Asian PGA tours are very keen on teaming up with each other and thus we can expect more tournaments all over the world. Hosting more tournaments at regular interval would also mean that the popularity of the golf is bound to increase with time. As it is the golf as a game has catapulted many players to lots of name and fame along with prosperity and popularity. Since golf has always been considered as a royal sport, it also offered lots of money in the game for the players as well. Tiger Woods is a living example. Thus at present too, it encourages more and more youngsters to participate in the tournament to earn name, fame and of course lots of money.

Thus we can expect the golfers all over the world to get prepared for turning the prospective of golf in to reality and thus remain in the news of golf in the media.
