Article published on January 7th 2012 | Travel

Bali is an island which is located in Indonesia, exactly between the place of Java and Lombok, also nearby the western part of the Sunda Islands. Bali is also considered as the one of the best tourist spot of Indonesia, which consists lot of tourist place such as beaches, museums, ancient temples, shrines and adventure places etc. It is an ancient place, where its culture were heavily inspired and influenced by both India as well as from China. Hinduism and Islam were the major religion followed by the people of Bali.

International flights were available for Bali from all over the world, which makes Bali travel easily available for everyone. The Indonesian government made many arrangements for the comfort of tourists who taking the Bali tour. Bali travel takes place in the region around mountains, peaks, volcanoes so that the tourist can feel the adventurous and daring sense all over the place. The Mount Agung is situated in Bali which is called as the â€œMother of Mountainâ€• highs over 3000 meters and the highlight is that the mountain is an active volcano. The Bali tour takes the tourist to the River Ayung, the longest river in the whole Bali Island which flows and covers almost 75 km of the island.

The most fascinating thing in Bali Island is beaches. Usually people would have seen beaches with white sand all over the place, but ironically the beaches in North and west has black sands it makes the tourist to amaze. Bali tour arranges a safe small boat voyage across the River Ho, which is the most breathtaking one with the chill and cool river.

When it comes to climate, the Bali Island has the temperature range from 20 degree Celsius to 33 degree Celsius approximately. It maintains the weather of 20 degree at winter and rainy season, while 33 degree in the summer. Even though it is measured as driest season for the duration of June to September, the Bali travel during those days is marvelous with the cold climate and finest time for outdoors.

Bali tour is the perfect place for tourists to visit an active volcano nearby, where nobody has ever had the experience. Bali travel would be a traditional as well as adventurous one everyone. The tourist will enjoy all the places, no matter whether the tourist is young or old, this package will be a memorable one throughout their life.
