Enjoy a Mesmerizing Tropical Holiday in Port Douglas by MatthewNicholson

Article published on February 24th 2012 | Travel

Port Douglas has a perfect tropical climate, here you can anytime of the year, and there are plenty of options as the plan each day. So plain a few days in the city and enjoy the beauty of this location.

The unit is as enjoyable as the destination. From Brisbane the coastal stretch is dotted with major tourist attractions along the way, and that could allow three days to enjoy the beauty of Rockhampton, Mackay, Townsville and the surrounding landscape. Once you are in Cairns take a ride through airport transfers to move around the city. After your stay you may want to stay for a while or take a trip to Green Island a nice or Quicksilver cruise to the outer reef. The beauty of a driving holiday is that you have total freedom to come and go as you please, and as many pixels are perfect to visit on the way, you must take your time.

Port Douglas is sixty miles from Cairns along the Captain Cook Highway, and enjoys each second into this stunning coastal city of Australia. Once you arrive you do not want to leave. You have the best of the Great Barrier Reef and World Heritage listed Daintree Rainforest on the front and the back door. There are plenty of lodging options such as Pinnacle Park Holiday Village, which offers excellent facilities.

Ride on the airport transfers Brisbane to Gold Coast and enjoy your tropical home away from home. Port Douglas offers a wide selection of dining options, such as Zinc surreal restaurant not only offers a selection of excellent and affordable food, but a large aquarium that is sure to provide entertainment while dining tropical.

For some outdoor experience, you can jump on a guided tour into the depths of the Daintree, or go to the brilliant colours of the reefs. Both options may have most of your holiday with plenty to do in each direction. There is also the option of leaving the desert on a train, or spend time in the famous white beaches under the sun.

For some, the wildlife experience (not dangerous) visit Hartley Crocodile Adventures is located in the MacAlister Range between Port Douglas and Palm Cove. Here you get to see different types flora and fauna, animals in their natural habitats and local life which is useful information and interactive.

The award-winning Rainforest Habitat in Port Douglas is situated here and it is a "must see" place in your lifetime with around two thousand animals and display of four different environments common in the Far North Queensland. This attraction is great for the whole family and do not forget your camera to take along with you!

You can not visit Port Douglas without a visit to the stunning Daintree. Once you are at the heart of the flourishing rainforest first stop in Discovery Centre please your eyes with the magnificent views of this stunning place, theatre, picturesque views and a lot of information about the surroundings. Stop for a while here for a coffee and relax before heading out to explore. The walk Daintree canopy will give you a fantastic aerial view of the rainforest and back on the floor of the Bush Tucker trail is a walk that takes you through the attractiveness of the jungle. Ride transfers from gold coast airport and visit to Daintree and enjoy a memorable stay in this beautiful tropical city.
