Article published on January 16th 2012 | Travel

Easy Trip Planners Pvt. Ltd. emerged from an idea that had the potential to turn the tables of the travel industry and blessed the travelers with an unimaginable convenient way of travel. EaseMyTrip.in is the leading online travel site and surely a blessing in disguise as it has made the idea of travel exceptionally convenient.

The company was established in 2006 and had the vision to empower the travelers primarily to have myriad travel and holiday choices. The idea of booking tickets online to travel was radical and beyond a travelerâ€™s imagination. We offer such a wide range of travel and holiday packages that the idea of traveling does not give panic pangs to travelers any more. EaseMyTrip is extremely customer centric and the site is very user friendly. It offers detailed information about the holiday packages to almost all the places in India. The itinerary of things like highlights of the places, meals, accommodation, renowned cuisines, scope of shopping is available here.

EaseMyTrip has undoubtedly become the preference of the travelers because of its customer centric attitude. The qualified team of experienced travel professionals exhibit commendable enthusiasm to cater to the needs of the customers. Having a sensitive outlook towards the requirements of the customers, our employees go that extra mile to assist the customers and guide them correctly. We make sure that our customers should enjoy their trip and deal with us every time they plan to travel. For us it is not only a business deal, it is actually a bond that we intend to build and nurture. If a holiday package is bought from us, our job does not end with the payment made. Our employees rather personally ensure that the customers do not face any problem till the trip is over.

Our round the clock working customer support department helps the customers proactively and takes their queries with utmost seriousness. Instant actions and quick reverts are made to any of the customerâ€™s query.

We offer umpteen services like the cheapest air ticket (both domestic and international), rail tickets, holiday packages, hotels at discounted prices, B2B and B2C Affiliate Services (White Label), etc. The company is growing in leaps and bounds with the support of its customers. It is therefore venturing new avenues like mobile recharge, movie tickets, bus tickets, travel insurance, DTH recharge, monthly exchange, easy invoices and lots more to come.

Our prime focus is to make the customer happy and we work with absolute sincerity and dedication towards the satisfaction of our customers. With the high grade technology, we have come up the curve and left a mark in the industry. To be the first preference of the travelers was our aim when we started. We continued to work in this direction and today we have reached the pinnacles of success. In no time we established a good name in the Indian market have moved forward to conquer the global travel market as well. We are flexible with our packages and offers and they can even be tailor made. The customization of the packages can be done as per the requirement of the customer and the mode of payment is either through debit or credit card.
