San Felipe is a location where you can get the entertainment and enjoyment wholeheartedly. This is the place famous especially for sport fishing and fish taco. Almost all the beachfront restaurants of San Felipe offer delicious fish taco and various types of seafood out of which shrimp is most demanded over the years. This place sits where Sea of Cortez and San Pedro mountains collaborate. You can enjoy off-road biking and ATV racing by applying into the rodeos. Horse riding is also most favorite pastime of many tourists over here. If you are here to enjoy sunny days, this is the right place for you.

San Felipe is heaven especially for the students. Students on their vacations always plan their trip to San Felipe beaches for various beachfront activities like camping, boating, surfing, sailing, fishing, volleyball and even more. They love to enjoy their vacations on the southern beaches of San Felipe because this is the place where they can get everything. You can reach there from San Diego with 5 hours driveway. This is located 120 km far from US-Mexico border. Lots of transport facilities available on San Diego to reach this small town. You can also hire pangas to reach San Felipe through waterways.

This place is also ideal for the honeymoon couples to bring the unforgettable experience at their homes and for the retirees to live rest of their life peacefully. You can come here in San Felipe if you are in search for the exotic yet natural place where you can do enormous activities to remove your stress. When it comes to nightlife in San Felipe, there are large numbers of hotels, night clubs and bars opened for late night. You may have fun in the night club and enjoy dancing on the loud music.

Many students from Las Vegas visit San Felipe to enjoy and get relief from ever-crowded and ever-stressed college life. They visit there with the group for having fun with friends in the dark night under the stars on their camps at the southern beaches. The southern beaches of San Felipe are located 8 to 10 km south of San Felipe downtown. They visit there at southern beaches for the delicious dinner of seafood and great treat of red wine available on the beachfront restaurants of San Felipe. You may visit there to enjoy the great pastime on your vacations.

When it comes to accommodation in San Felipe, there are San Felipe beachfront rentals where you can enjoy the great vacation with luxurious and comfortable stay. In these rentals, all types of facilities and amenities over there that will make you feel the comfort more than in your house. These rentals are super-luxurious and spacious for living more than 10 peoples. There are two bedrooms available each bedroom consist one double bed and one single bed. You may also hire the maid services which charge extra that will be discussed after your arrival. From the gallery and patio of beachfront condos, you can see the nice and breathtaking view of ocean and the mountains.

The San Felipe rentals are available now at very competitive rates with increasing demand.
